## PROFILE

A serial founder operating across software, AI, and quantum-adjacent frontiers. Started Interest Bud Solutions in 2014 and has shipped 100+ products across India, USA, the UK, Spain and the UAE.

Today building Invoicemint (AI invoicing), Ideaas Labs (quantum-encrypted tradeable IP) and QUDS PPMS — predictive primitives for markets, infrastructure, health and national resilience.

### BASED

Madrid · London · Noida

# EXPERIENCE

A decade of shipping — services, products, and now markets.

## TIMELINE · 2013 — PRESENT

IB

### Founder & CEO

#### Interest Bud Solutions Pvt Ltd

May 2019 — Present · Madrid, Spain · Self-employed

Global app development studio shipping iOS, Android, Web and Game products to clients across India, USA, Europe and the UAE. 100+ products delivered.

+ Built the in-house pods that incubated every other venture in this portfolio.

I

### Founder

#### Invoicemint

Dec 2023 — Present · Noida, India

AI-native invoicing for freelancers and B2B service agencies. Agent drafts, chases and reconciles invoices end-to-end.

+ Public at [invoicemint.in](https://invoicemint.in) — AI-first from day one, not bolted-on.

IL

### Co-Founder & CTO

#### Ideaas Labs

Feb 2025 — Present · London, UK

Turning structured ideas into quantum-encrypted, tradeable digital assets in under 30 minutes. Operating across London, Madrid and Noida.

+ QUDS PPMS — the Predictive Primitives Market Suite underwriting Ideaas.

SU

### Chief Technology Officer

#### SONICESONICE UK LTD

Jun 2019 — Present · London, UK

Technology leadership for a UK creative-tech operation — architecture, delivery and product strategy across multiple product lines.

IT

### Business Analyst

#### Infodart Technologies India Ltd

Jun 2016 — May 2019 · Gurugram, India

Drove requirements, solution design and stakeholder strategy across enterprise engagements.

TC

### Cloud Computing Consultant Jr.

#### Tata Consultancy Services

Jan 2015 — Jun 2016 · India

Hands-on cloud architecture and consulting across IBM, AWS and early hybrid-cloud programs.

M

### Business Analyst Intern

#### Microsoft

May 2013 — Dec 2014 · Gurugram, India

Early-career exposure to enterprise product analytics and stakeholder communication at scale.

# VENTURES

An ecosystem of ideas — six bets, one operating thesis.
